§100.21

Participation Rate Requirements and Plans

(5) Interventions for schools that fail to demonstrate an assessment participation rate of 95 percent.

(i) Pursuant to paragraph (1) of subdivision (b) of this section, the Commissioner shall annually determine the participation rate for each accountability subgroup in each public school in which the subgroup has 40 or more students. The Commissioner shall determine that the subgroup has met the participation rate requirement if:

(a) the participation rate for the current year equals or exceeds 95 percent; or

(b) the weighted average of the current year and prior year participation rates equals or exceeds 95 percent;

(ii) Beginning with 2017-2018 and 2018-2019 school year results, any public elementary/middle or high school that has a Weighted Average Achievement Level of 1 or 2 and that fails to meet the required 95 percent participation rate for the same subgroup(s), in the same subject (i.e., ELA or math) for two consecutive years, and that fails to improve participation rate as compared to the previous year

support staff selected by the representative collective bargaining organization(s); and parents (not employed by the district or a collective bargaining organization representing teachers or administrators in the district) selected by district-related and/or school-related parent organizations. Such district plan must be adopted by the district board of education, no later than 60 days following notification to the district that such a plan is required. The board of education (in New York City, the chancellor or chancellor's designee

The Elementary-Middle report includes the participation rate improvement plan status at the subgroup level for the schools in the district that for the Elementary-Middle grades, the 2018-19 and 2017-18 ELA and Math participation rates and Weighted Average Achievement Level used to make the determinations. The report header provides a summary of the participation rate improvement plan status identification rule and a legend that defines the categories.

Figure 2 shows a sample of the Elementary-Middle report. The information in the report is organized in sections that correspond to the numbered columns on the worksheet, as follows:

- Columns 1-4: District and School identifying information (same as the Summary report layout)
- Column 5: School subgroup
- Column 6: 2019-120 School participation rate status for subgroup (combining ELA and Math)
- Columns 7-12: Prior Year and Current Year ELA status, 2018-19 and 2017-18 ELA Participation Rates for subgroup, Participation rate in Bottom 10%. If a subgroup has a Prior Year status, but no prior year participation rate is, the prior year status was determined using the two-year weighted average.
- Columns 13-18: Prior Year and Current Year Math status, 2018-19 and 2017-18 Math Participation Rates for subgroup
- Column 19: Subgroup Weighted Average Achievement Level
