For Katherine R. DeCaddo

Subject: In-person participation in COVID-19 testing (Amended)

The Department of Health has received information from the field that some individuals are beginning to experience difficulty participating in COVID-19 testing activities. Some individuals are unable to participate in testing activities due to a lack of transportation or other barriers. The Department of Health is working to address these issues and is providing guidance to local health departments on how to assist individuals who are unable to participate in testing activities.

To clarify, the Department of Health is providing guidance to local health departments regarding COVID-19 testing activities. The Department of Health is providing guidance to local health departments regarding COVID-19 testing activities. The Department of Health is providing guidance to local health departments regarding COVID-19 testing activities.

Agencies participating in the program shall be deemed by the State Department of Health to be in compliance with the requirements of the program.
