This assessment is available for pre and post assessment. It is aligned to the Priority Content established by teachers on a statewide basis. The assessment is comprised of multiple choice questions or open ended tasks for students to complete. Each task is aligned to the expectations of an identified competency or skill. Assessments are created aligned to an identified set of priority standards set by regional teachers of technical trade. (Appendix A) Tasks on the pre and post assessments are aligned to the standards proportionally but are not repeated from pre to post. A set of test forms has been developed to ensure a repeat of question from pre to post is avoided. The assessment is administered during an
