record their errors and prosody from the National Assessment of Educational Progress (NAEP) Oral Reading Fluency Scale (1995).

**A description of how the assessment is administered**

Let's Go Learn's DORA assessment is online and resides on our AI system. All Let's Go Learn assessments are administered online and thus any rater bias or test-admin bias has been eliminated by the very nature of the assessment being objectively delivered by a computer device online. The test-admin scripts provide guidelines for ensuring that technology checks have been performed prior to the assessments and that the
