The community was provided with the opportunity to make public comment on the updated American Rescue Plan. The community was informed of the recommended and then updated changes through the Superintendents Update. The community was able to make and submit comments on the changes. The changes included modifications to the Test to Stay program for students based on recommendations from the CDC, NYSED, and the Dutchess County Department of Health. The District provided the option for students to Test to Stay up until the last day of school, June 24, 2022. Based on recommendations, the District did not mandate student testing based on close and proximate contact, however, testing was available if the parent chose to have their child tested. The community was supportive of this change as students were able to attend in-person classes and were not immediately mandated to quarantine.
